Some of the members of the public raised concerns regarding the proposed parking charges by South Glos. Council on Flaxpits Lane car park. Residents said it would negatively impact the local community (residents, shops and visitors). There were concerns that motorists would avoid parking charges and try and park on already congested roads.

This may lead to extra accidents, particularly with the WIA school and children walking between cars and cyclists. The elderly may have issues with parking apps.

The Hambrook traffic lights junction on the A4174 was also discussed and residents complained about the additional time spent in traffic having to take longer routes. This adds to pollution in stationary traffic.
