- **No night fishing - Fishing only permitted from the hours of dawn till dusk**
- **Bait restrictions - No floating baits. No Groundbait. No meat. No nuts. No boilies. Bread as a hookbait only.**
- **Duck Pond closed to fishing from 1st of May until 31st May. No fishing on Flaxpits Lane bank From 1st June until 30th June.**

NO FISH TO BE TAKEN AWAY FROM THE POND. THESE ARE THE PROPERTY OF THE PARISH COUNCIL, TAKING THEM IS THEFT AND ANYONE FOUND DOING THIS WILL BE REPORTED TO THE POLICE.

It has also been reported that some members are fishing from the wall next to the road near the bus stop. You are reminded that this is strictly prohibited due to the potential risk to the public whether pedestrians or road users.

The gabions and their surrounds are also out of bounds. These are dangerous as they have wire running through them that could cause injury.

Please take your litter home and remove any that you may see even though it may not be yours - there are bins provided. We get blamed for the state of the surrounds even though it is nothing that members have been responsible for.

Please adhere to these rules and guidelines and report anyone that is not to me or any Committee member.
